

CASE STUDY: Global Warming - the forest from the trees

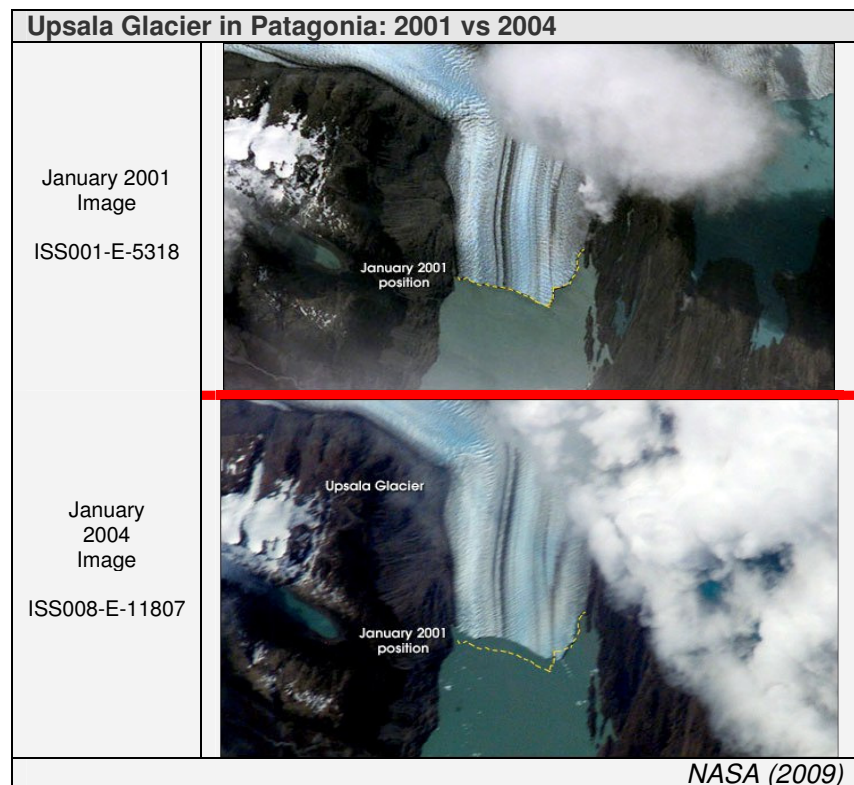

1. A picture is worth a thousand words?

ACTIVITY:

Examine the two photos published by the Green Peace organisation on its website (Green Peace 2009).

Now examine the two photos of the same glacier published by NASA on its website (NASA (2009).

QUESTIONS:

1. What do these pictures suggest about changes occurring in the Upsala Glacier?
2. Describe any differences in the kind of message you obtain from viewing each of the two picture sets.
